

Beyond – Sacred Version

**Out of the nest
of cozy down,
into the limitless air,
the Dream soars.
Already and at last
you leap and take hold.
Look back.
Hear us sing.
“Be Well Always.”
“God Be With You Always.”**

**From the lake
of familiar depth,
into the limitless ocean,
the Hope flows.
Already and at last
you swim toward
ebb and eddy.
Look back.
Hear us murmur,
“Be Well Always.”
“God Be With You Always.”**

**Beyond the gate
that opens wide
onto the limitless path,
the Adventure beckons.
Already and at last
you run fast
and glad.
Look back.
Hear us calling,
“Be Well Always.”
“God Be With You Always.”
Ah! Amen.**
