

**BEYOND – Secular Text**

Out of the nest  
of cozy down,  
into the limitless air,  
the Dream soars.  
Already and at last  
you leap and take hold.  
Look back.  
Hear us sing.  
“Be Well Always.”  
“Peace Be With You Always.”

From the lake  
of familiar depth,  
into the limitless ocean,  
the Hope flows.  
Already and at last  
you swim toward  
ebb and eddy.  
Look back.  
Hear us murmur,  
“Be Well Always.”  
“Peace Be With You Always.”

Beyond the gate  
that opens wide  
onto the limitless path,  
the Adventure beckons.  
Already and at last  
you run fast  
and glad.  
Look back.  
Hear us calling,  
“Be Well Always.”  
“Peace Be With You Always.”  
Ah! Always.
