

Micah Say

Intro – Choir (can speak or sing as desired)

And what is required?

To do justice,

to love mercy,

to walk humbly with our God.

Refrain – Choir

We gotta walk humbly with our God.

We gotta walk humbly with our God.

We gotta walk humbly, we gotta walk humbly,

We gotta walk humbly with our God.

Repeat refrain - Choir

Soloist (Choir sings words in parenthesis)

Here I'm standin'. (O see him stand.)

I have no food. (There is no food.)

(Ready and willin' to work,)

no work to do. (No work to do.)

I wanna give my family a life.

(a life of dignity.)

Is it too late for an escape (for an escape)

from poverty? (from poverty?)

Choir

There's no perfect situation

to solve the problems of the poor.

**There is much perpetuation of
corruption and of war.**

Got to work for peace and justice

and for mercy every day.

So our efforts are far-reaching

and we can hear them say:

Soloist (Choir sings words in parenthesis)

Listen to me. (O hear him sing!)

We have some food. (There is some food.)

(Ready and willin' to work,)

got work to do. (Got work to do.)

We have our health and dignity, a life!

(a life in parity.)

You are my friends, you've made amends.

(We made amends.)

I'm walkin' too. (Yes, walkin', too.)

Refrain - Choir

Choir

Let us sing this song together

**As we pledge our help today.
May we do justice and love mercy,
May we do what Micah say!**

Refrain – Choir

2x or repeat as appropriate and fade out
