

Walking Gospel

**We're on a course of compassion,
a road to relief.**

**We walk for well-being
on a pilgrimage of peace.**

We're on a journey of joy.

We travel in trust.

**In the wake of the good news,
we do as we must.**

**We're a processional of progress
in a glorious parade,**

**walking on the path
of which faith and hope are made.**

We're on a humble march of mercy.

**We walk a cheerful tread
for those who need a livelihood
and a fair share of bread.**
